This matter came on this day to be heard on the sworn Application of El Toro Production Co., Inc., requesting the Board to adopt and promulgate Special Field Rules for the Buckhurst Field of Adams County, Mississippi, and the designating and defining of the Foster Sand Oil Pool and the Armstrong Sand Oil Pool, and the Board having considered the Petition of the Applicant and the exhibit thereto attached and being fully advised in the premises, on evidence adduced, and finding that the Board has jurisdiction hereof and that due and legal notice has been published in accordance with the Law and Rules and Regulations of the Board, the Board is of the opinion that the relief prayed for should be granted, and that the following Special Field Rules should be adopted.

IT IS, THEREFORE, ORDERED and ADJUDGED that the following Special Field Rules be, and the same hereby are, adopted by the State Oil and Gas Board of Mississippi for the Buckhurst Field in Adams County, Mississippi, to take effect on and after the 18th day of November, 1976, to-wit:

1. The Foster Sand Oil Pool, as used herein shall be construed to mean those strata of the Wilcox Formation productive of oil from the depth of 6,436 feet to 6,442 feet in the El Toro Oil Company - Buckhurst Plantation No. 2 Unit, located in Section 19, T5N-R3W, Adams County, Mississippi, and including those strata productive of oil which can be correlated therewith.
