

IN RE: DOCKET NUMBER 58-57-104
ORDER NUMBER 83-57

SPECIAL FIELD RULES
DEERFIELD FIELD

This day this cause came on for hearing before the State Oil and Gas Board on the matter of the adoption and promulgation by the Board of special field rules for the Deerfield Field in Adams County, Mississippi, said hearing being called for such purposes by said Board; and

The Board finding that due, proper and legal notice of the meeting of the Board for the purpose of considering and taking action with respect to said matter has been given in the manner and way as provided by law and the rules and regulations of the Board and that due, legal and sufficient proofs of publication are on file with the Board and that the Board has full jurisdiction of the subject matter to hear and determine same; and

Pursuant to said notice given, a public hearing was held by said Board in the Second Floor Auditorium of the Woolfolk State Office Building, Jackson, Mississippi, on April 17, 1957, at which time and place all persons present who desired to be heard on said matters were heard and all proposed special field rules were fully discussed and duly considered by those present at said meeting; and

The Board having fully considered said matter and the evidence and recommendations made in said hearing is of the opinion that the following special field rules should be adopted for the prevention of waste and the protection of the correlative rights of all owners in said field;

IT IS THEREFORE HEREBY ORDERED by the State Oil and Gas Board that the following special field rules be and the same are hereby adopted by the State Oil and Gas Board for the Deerfield Field located in Adams County, Mississippi, to take effect on and after May 1, 1957, to-wit:

SPECIAL FIELD RULES FOR DEERFIELD FIELD
ADAMS COUNTY

A. The Deerfield Field, as used herein, is that area in Sections 20, 24, and 58, Township 5 North, Range 1 West, Adams County, Mississippi, including all productive extensions thereof, underlain by the following pool:

1. The Minter oil pool, as used herein, shall be construed to mean those strata of the Wilcox Formation productive of oil appearing in the Calto-Gulmon No. 1 Drane in the SE 1/4 of Section 20, Township 5 North, Range 1 West, Adams County, Mississippi, between the electrical log depths of 6651 feet, subsea 6536, to 6666 feet, subsea 6551, in said field, including all strata which can be correlated with this horizon.

B. The characteristics of the producing pools in the Deerfield Field are such and evidence shows that one well drilled on a regularly formed 40 acre drilling unit will efficiently drain and produce the recoverable oil from such unit in said pools without avoidable waste.

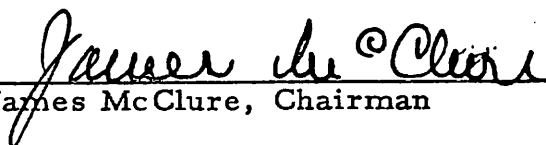

APPLICABILITY OF STATEWIDE RULES

All rules and regulations contained in Statewide Order No. 201-51 and amendments thereto not specifically covered in the foregoing rules are hereby adopted and shall apply to said field.

The Board expressly reserves its right after notice and hearing to alter, amend or repeal any and all of the foregoing rules and regulations.

ORDERED this, the 17th day of April, 1957.

STATE OIL AND GAS BOARD

James McClure, Chairman
