

SEP 6 1989

STATE OIL AND GAS BOARD
A. Richard Henderson, Supervisor
BEFORE THE STATE OIL AND GAS BOARD
OF THE STATE OF MISSISSIPPI

DOCKET NO. 275-89-154

ORDER NO. 396-89

GILLSBURG FIELD

O R D E R

AUTHORIZING THE CONVERSION OF A PRODUCING WELL TO AN ENHANCED
RECOVERY WATER INJECTION WELL FOR THE PURPOSE OF
WATERFLOODING THE LOWER TUSCALOOSA "LT-5" SAND

This cause this date came on for hearing at the August 1989 regular meeting of the Mississippi State Oil and Gas Board upon the Petition of R & H OIL & GAS, INC. for oral and documentary evidence and on argument of counsel, and upon said hearing the Board finds:

A. That this Board has jurisdiction of the subject matter of this Petition, and that due and legal notice of the meeting of the Board, for the purpose of considering the above Petition has been given in the manner and form so provided by the rules and regulations of this Board, and that due and proper proof of all legal and required notices are on file with the Board in this cause, and that the Board has the right to hear said cause and determine the same at the meeting of this Board held on August 16, 1989, in the offices of the Mississippi State Oil and Gas Board in Jackson, Mississippi.

B. That Petitioner is the owner and operator of the R & H OIL & GAS, INC. Williams-Slaven No. 1 Well, formerly known as the Biglane Operating Company, Williams-Slaven # 1 well, and that the location of the well is described as follows, to-wit:

330' FSL and 330'FWL of the
E 1/2 of the SE 1/4 of
Section 27-T1N-R6E
Gillsburg Field, Amite County, Mississippi

C. That Petitioner has properly filed the required Form 2 of the Mississippi Oil and Gas Board complete with all the necessary attachments in the manner and form prescribed by the rules and regulations of the Board and that such documents and affidavits are on file in the offices of the Board.

IT IS THEREFORE ORDERED AND ADJUDGED THAT IN VIEW OF THE ABOVE FINDINGS THAT:

1. The Application of the Petitioner is hereby granted approving conversion of the R & H Oil & Gas, Inc. # 1 Williams-Slaven producing well to an Enhanced Recovery water injection well to be known as the Williams-Slaven # 1 SWI for the Lower Tuscaloosa "LT-5" Sand Oil Pool waterflood operation.

2. The Petitioner is hereby authorized to proceed with the installation and construction according to the plan presented by said Petitioner.

ORDERED AND ADJUDGED. this the 16th day of August, 1989.

STATE OIL AND GAS BOARD
OF THE STATE OF MISSISSIPPI
