IN RE: DOCKET NUMBER 94-52-19  
ORDER NUMBER 24-57

ORDER ADOPTING AN AMENDMENT TO THE  
SPECIAL FIELD RULES IN THE LAGRANGE  
FIELD TO INCLUDE ALL POOLS IN THE FIELD

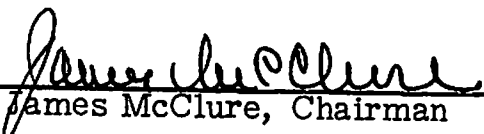

This day this cause came on for hearing for the purpose of adopting an amendment to the Special Field Rules in the LaGrange Oil Field so as to include all pools which are designated as separate and distinct reservoirs, and the State Oil and Gas Board finding that due, proper and legal notice of the hearing of said docket by the Board at this meeting has been given in the manner and way provided by law and by the rules and regulations of this Board, and that due and proper proofs of publication of notice are on file with the Board and that the Board has full jurisdiction of this cause, and the Board having heard the evidence of witnesses and the argument of counsel and being of the opinion that through inadvertence the name of one pool was omitted in Order No. 255-56 under Docket Number 200-56-19, which amended the Special Field Rules in the LaGrange Field;

IT IS THEREFORE HEREBY ORDERED by the State Oil and Gas Board that Order Number 255-56 under Docket Number 200-56-19 be amended so that the title to Order No. 137-52 be amended and corrected to read as follows:

"Special Field Rules for Baker, South Wilson, Parker, North Baker, Northeast Baker, Ratcliff, Benbrook, Northeast Benbrook, North Wilson, 4600 Foot pool, North 4600 Foot pool, Reale Heirs pool, and the 4300 Foot pool."

ORDERED this the 20th day of February, 1957.
