## THE STATE OIL AND GAS BOARD OF MISSISSIPPI

ORDER NO. 178-78ORDER

WHEREAS, on April 22, 1976, the State Oil and Gas Board entered its Order No. 94-76 in Docket No. 76-77-402 adopting temporary Special Field Rules for the South Smithdale Field, Amite County, Mississippi, providing for drilling units containing 80 contiguous surface acres or two governmental quarter-quarter sections for the development of the 11,060-Foot Lower Tuscaloosa Oil Pool, said Special Field Rules to remain in force and effect for a period of one year from said date; and

WHEREAS, on April 21, 1977, the State Oil and Gas Board entered its Order No. 110-77 in Docket No. 76-77-402 extending said Special Field Rules for a period of one year, but only as to the N $\frac{1}{2}$  of SE $\frac{1}{4}$  of Section 33, Township 4 North, Range 6 East, Amite County, Mississippi; and

WHEREAS, the Board finds that production from the 11,060-Foot Lower Tuscaloosa Oil Pool has ceased and there is no necessity for said Special Field Rules to remain in force and effect; and

WHEREAS, the Board further finds that there is no necessity that notice be given and a hearing held on this matter.

IT IS, THEREFORE, ORDERED AND ADJUDGED by the State Oil and Gas Board of Mississippi that the Special Field Rules for the South Smithdale Field, Amite County, Mississippi, heretofore adopted by Order No. 94-76 and extended for a period of one year by Order No. 110-77, should be and same are hereby allowed to lapse and are of no further force and effect, and there is no necessity that notice be given and a hearing held in said matter.

ORDERED AND ADJUDGED this 20th day of April, 1978.
