

## **Notice of Intent to Award**

The Mississippi State Oil and Gas Board voted at its December meeting to award its plugging contract (IFB 2019-1) to Oilfield Service & Supply Company, Inc., for the plugging of ten (10) wells located in Adams, Franklin, Hancock, Jones, Lamar and Wilkinson Counties. These wells have been adjudicated by the Board to be "orphaned" wells.

Oilfield Service & Supply Company, Inc., was the lowest and best responsive bid at \$465,635. Once approved by the PPRB, Oilfield Service & Supply Company Inc., will have until June 30, 2019 to complete the plugging of the wells in the IFB.
