

**THIS CONSOLIDATED FORM (OGB-9-12-15-Z) REPLACES THE INDIVIDUAL FORMS
REQUIRED BY THE RULES AND ORDER LISTED BELOW**

INSTRUCTIONS

All operators are to complete columns 1 through 15 on Form 9-12-15-Z. Columns 16 through 20 are provided for the convenience of the operator in determining maintenance fees and are optional.

Maintenance fees shall be paid by the Operator for oil, including condensate, and gas produced and sold for the month. Maintenance fees should not be remitted with this form. An invoice for the amount of the maintenance fees will be mailed to operator by the OGB.

All production quantities (oil/condensate, gas, and water) must be reported individually by well in whole numbers (no decimals) with the wells grouped by the reservoir (formation, pool) in which it is completed. The reservoir (formation, pool) name for a well shall agree with the most recent Form 3 on file with the OGB.

COLUMN

REQUIRED – DO NOT LEAVE BLANK

- 1 - Group by reservoir. List the reservoir followed by the name and API # of each well completed in that reservoir
- 2 - Report the method of that month's production for that well (F-Flowing, P-Pumping) or CI if closed for the entire month.
- 3 - Number of days that well produced that month (If closed-in for the entire month, enter "0")
- 4 - Gravity of oil or condensate (Degrees API)
- 5 - Number of barrels of oil or condensate produced
- 6 - Number of barrels of water produced
- 7 - Number of MCF of gas produced
- 8 - Number of barrels of oil or condensate in storage at the beginning of the month (Beginning inventory)
- 9 - Number of barrels of oil or condensate sold
- 10 - Number of barrels of oil or condensate disposed of in a manner other than sales (See oil or condensate Codes)
- 11 - Oil or condensate disposition code
- 12 - Total barrels of oil or condensate in storage at the end of the month (Ending inventory)

Note: Ending Inventory (12) MUST equal Beginning Inventory (8) plus Production (5) minus Sales (9) minus the "Oil Disposition Other" column (10).

- 13 - Number of MCF of gas to transmission line (Gas sold)
- 14 - Number of MCF of gas to other disposition (Gas produced but not sold)
- 15 - Gas disposition code

OPTIONAL – For Operator's convenience only. Operator will be invoiced for maintenance fees owed. DO NOT SUBMIT MAINTENANCE FEES WITH THIS FORM.

- 16 - Number of barrels of oil or condensate produced and sold by the Operator.
- 17 - Maintenance fees due on number of barrels of oil or condensate produced and sold @ (\$.044/Bbl)
- 18 - Number of MCF of gas produced and sold
- 19 - Maintenance fees due on MCF of gas produced and sold @ (\$.005/MCF)
- 20 - No longer applicable. Fees must be paid by the Operator upon receipt of invoice.

RULE 39. Report of Well Status

Each producer or operator of an oil or gas well shall furnish for each month a "Producer's Monthly Report", setting forth complete information and data indicated thereon. Such report for each month shall be prepared and filed, according to the instructions on Form No. OGB 9-12-15-Z on or before the first day of the second month following the month during which the production was made.

RULE 42. Producer's Monthly Report

Each operator or producer of oil or gas shall furnish for each month a "Producer's Monthly Report", setting forth complete information and data indicated thereon. Such report for each month shall be prepared and filed with the Board on Form No. OGB 9-12-15-Z, according to the instructions on said form, on or before the first day of the second month following the month during which the production was made.
